Realworld: Simplify Adulthood Mobile App Release Update

Realworld: Simplify Adulthood Mobile App

Release date: Jan. 1, 2021

Release notes version: 1.4.07

Release note date: Jul. 27, 2023

Overview

This new app version introduces two new features that improve overall experience, extended trial for the new users and some additional bug and typo fixes.

Features

- ***Shopping:*** Users now can learn more about budget-friendly shopping strategies and check a list of shops/supermarkets price range.
- ***Log-in with your phone number:*** A new feature was added so now users can log in with their phone number and keep their personal information secure.

Changes

- ***Free trial extended to 14 days:*** Now new users will have an extended 14 day free trial to get familiar with the app and its features before subscribing to a yearly plan
- ***Bugs fixed:*** Bugs were fixed to improve in-app purchases
- ***Typos fixed:*** Minor typos were fixed to ensure high quality education experience for the users
- ***Enhanced security:*** Log-in with your phone number feature was added to increase security and keep your personal information safe

User impacts

- Software requirements: Update requires iOS version 16.6 for optimal functionality

Notes

Please watch the video about the new log-in with the phone number feature and how to use it safely realworld/login/safety.com.
